

KAMIND IT April/May 2020 Offers

Microsoft Office 365 E1

Whether you are an existing client of KAMIND IT or future client, check out what Microsoft Office 365 E1 can do when implemented in your organization.

KAMIND Live Webinars

KAMIND IT will be hosting live webinars every Monday and Thursday at 11:00am PST. These webinars are intended to give some much needed interaction between our clients and KAMIND Staff & answer any questions regarding your Microsoft/KAMIND Products, Services or Subscriptions.

KAMIND WFH (Work From Home) Package

KAMIND has assembled our WFH (Work From Home) Product & Services Package to ease the transition from your day at the office to setting up your remote workstation. Getting your organization up and running, coordinating your team, answering emails and completing daily tasks – all while working from your home office – has never been easier.

Click on the above links to learn more about these exclusive offerings, or contact KAMIND IT at 503.726.5933 or email [**sales@kamind.com**](mailto:sales@kamind.com)
